Discussion items for the August 6 meeting included:

- 1) Review and edit of the DRAFT “vision for the future” unified usage matrix (see attached) – need to draft current usage matrix

In the absence of Bo Lowery, on vacation leave, the group will review next meeting.

- 2) Discuss and add to information and recommendations for the DRAFT KEN IP-Based Communication Template categories (see attached Notes in Template.doc).

The group reviewed the DRAFT Template document and:

- a. Discussed and tweaked wording for “Resources Available.”
- b. Reviewed and affirmed “Deficiencies That Are in Place.”
- c. Reviewed “Where We Want to Go in the Use of This Application,” tweaked the “Guiding Principles, and assigned writing of description of the vision and long-term plan to: Rhody, Lee, and Gene – by next meeting date. Spent considerable time discussing: Policy Challenges, Resource Barriers for Connectivity and Content and discussed current plan to address deficiencies.
- d. The last section of the DRAFT Template, Impact on Teaching and Learning, draft -- Vince DiNoto will take on a first draft by next meeting.

- 3) Others – Next GoToMeeting, Monday, August 27 at 10:30 a.m. ET.
